

GREATER MONCTON PEST CONTROL COMMISSIONS

LARVICIDE USAGE 2020

TOTAL AMOUNT OF LARVICIDE APPLIED IN EACH QUADRANT 2020

*Please note there is a total of 132 quadrants, however not all appear in the data below as the those quadrants did not receive any larvicide application or had water/larva present. All quadrants were monitored this season.

**Please note this season was unique as it was usually dry.
